Testimonials

"I have used the services of Dyer Environmental Controls for over 10 years. The service is prompt and professional. The prices competitive and clearly explained with detailed reporting. Their knowledge of AOV systems and keeping us updated with current legislation is excellent. The customer service provided is courteous and prompt."

- Scanlans Property Management LLP

"Having worked with Dyer historically at other firms, approaching them to maintain our systems here at Realty was a logical and easy decision. Whether it has been routine maintenance or entire systems being installed we have found them to be responsive, reliable and professional."

- Realty Management

"Dyer are a professional and friendly company providing extensive knowledge on smoke vent systems. We have used them for a number of years and have no hesitation in recommending them."

- Trent & Dove Housing

"We have worked with Dyer for years, carrying out service and maintenance to our smoke vent systems at hundreds of our sites across the north of England. They are an absolute joy to work with, they set the standards in what it is like to deal with contractors. They are a friendly, proficient and extremely reliable company who provide a first-rate service. The Service & Maintenance team are extremely professional and dedicated."
